

A private jet is shown from a low-angle perspective, flying over a vast expanse of white, fluffy clouds. The sky is a mix of soft pinks, oranges, and blues, suggesting a sunset or sunrise. The jet is sleek and modern, with two engines visible. The overall mood is one of luxury and global connectivity.

1. SCOPE

These general terms and conditions of business apply to all charters entered into with Elite Handling Service GmbH. They can be modified or replaced by individual provisions.

Consumers, in terms of business relations, are natural persons with whom business relations are taken up and to whom commercial or independent professional activity cannot be attributed.

Business persons, in terms of these terms and conditions, are natural or legal entities or partnerships with a legal character, with whom business relations are taken up and who carry out a commercial or self-employed activity.

The chartering party, in terms of these terms and conditions, are both consumers and business entities.

General terms and conditions of the chartering party that differ, conflict or supplement, even if known about, do not form part of this charter, unless their validity is expressly agreed to in writing.

2. BOOKING ENQUIRIES

For booking enquiries and bookings for flights, limousines and other services, communication takes place by telephone, fax and the Internet. Enquiries can be submitted verbally and in writing, although written confirmation is also required.

Reserved flights and vehicles, and also those reserved by Elite Handling Service GmbH, will be provided to the customer on time on the day of departure and arrival. Elite Handling Service is entitled to otherwise allocate reserved flights and vehicles in the event of delay or non-appearance on the day of arrival, unless a later arrival time has been expressly agreed to.

3. PRICE CHANGES

All contractors are bound by the published prices and those prices laid down in company agreements, as well as the prices for flights, limousines and other services respectively. These are published in advance.

4. TERMS OF PAYMENT

Unless other arrangements for payment have been made, invoices are due immediately upon receipt. If Elite Handling Service GmbH sends the invoice to the customer by fax or e-mail, this also counts as the invoice having been received. Elite Handling Service GmbH is exempted from accepting and choosing credit cards in all instances, even if signage at the office or on the Internet indicates that credit cards are generally accepted. In all other cases, cheques, credit cards and other means of payment are only accepted for payment and not as payment.

The customer shall pay for all flights and other services in advance. If payment has not been received prior to departure, Elite Handling Service GmbH reserves the right to cancel the flight without the customer having a right to compensation.

5. PREPAYMENTS

Elite Handling Service GmbH offers customers the option of making a deposit into a sub-account belonging to Elite Handling Service GmbH. In agreement with the customer, invoices for booked services are debited from this deposit.

The customer is entitled to ask for the return of the deposit repayment at any time without giving reason, minus any outstanding invoice payments owed to Elite Handling Service GmbH. The customer is not entitled to claim interest payments, etc. when making a deposit.

6. CANCELLATIONS

In cases where the customer cancels bookings, or fails to use the services offered by Elite Handling Service GmbH, the contractual services the customer has ordered and booked but not used, that are offered by the airline or the service provider (particularly for the provision of aircraft and vehicles plus staff and/or other services, such as catering) shall be charged to the customer by Elite Handling Service GmbH at the flat rates detailed below:

- a) Cancellations between 30 and 3 days (inclusive in each case) prior to the respective services being rendered: flat rate of 50.00 Euros plus the VAT applicable in each case.
- b) Cancellation 48 hours prior to the respective services being rendered or the non-use of the respective services: 50% of the cost of the ordered/reserved services.
- c) Cancellation less than 24 hours prior to the respective services being rendered, or the non-use of the respective services: 100% of the cost of the ordered/reserved services.

If the airlines and other service providers do not apply any cancellation fees, Elite Handling Service GmbH will not charge the customer for any costs either, besides the flat rate for expenses of 50.00 Euros plus the VAT applicable.

7. LIABILITY

Elite Handling Service GmbH is only liable to the extent of the liability limits and legal liability under law, but not for delays or other damages suffered by customers in connection with flights and/or limousine rides. Liability for any other reason is excluded, except in cases where damage was caused intentionally or through the gross negligence of Elite Handling Service GmbH and/or its legal representatives or agents.

Appeals for non-contractual performance expire if no claim is made within a month of the contract being terminated. The expiry period is delayed if the customer is prevented from meeting the deadline by force majeure or through no fault of his own.

On making an assured reservation and payment, the customer agrees to accept the terms and conditions of Elite Handling Service GmbH, and the airlines rendering the service, as well as other service providers provided on request.

8. DUTY TO COOPERATE

If any disruptions to services occur, the customer is obliged to make every reasonable effort to remedy the disruption and keep damage to a minimum.

The customer is obliged to inform Elite Handling Service GmbH immediately. In this case, Elite Handling Service GmbH will ensure a remedy, insofar as feasible. Any culpable failure by the customer to not report a defect does not result in a claim for mitigation.

9. LIMOUSINE TRANSFER

The service included in the YOURFLIGHT^{GOLD} for free limousine transfer only applies to metropolitan areas in Germany (e.g. Munich, Berlin, Hamburg, Cologne, Friedrichshafen, etc.), but not to more sparsely populated areas (e.g. Ingolstadt, Straubing, Bautzen, etc.). The limousine service for more sparsely populated areas can be booked at an extra cost, however.

In addition, the service only includes a one-way transfer from the airport to the city centre (max. distance: 50k m) with a Mercedes S Class or equivalent.

Only holders of a YOURFLIGHT^{GOLD} membership are entitled to this free transfer. It is up to the customer to allocate the remaining seats in the car to other passengers.

10. TERMS REGARDING PERSONAL PROPERTY BROUGHT ONTO AIRCRAFT, MOTOR VEHICLES AND HOTELS

The customer is liable for objects or other personal property he forgets in cars, planes or hotels. If the customer notices that he has lost his personal property, he should report it immediately to Elite Handling Service GmbH, who can then check the aircraft, vehicle or hotel. The permanent safe-keeping of property does not take place. Elite Handling Service GmbH accepts no liability for damages caused by third-parties.

11. MISCELLANEOUS TERMS

- a) The customer is obliged to inform Elite Handling Service GmbH immediately of the loss of items brought onto the aircraft, vehicle or hotel, or at the latest by the end of the trip.
- b) The customer is liable for all damages he causes wilfully to aircraft, vehicles or hotel rooms during the agreed period of use.
- c) The headings used in these terms and conditions are for convenience only and have no material significance, especially with regard to the concluding provision.
